LB 140, 483

SENATOR MAURSTAD: Madam President, I'd move to advance LB 483 to E & R for engrossing.

PRESIDENT ROBAK: Is there any discussion? Seeing none, the question before you is the advancement of LB 483. All those in favor say aye. All those opposed nay. LB 483 advances. LB 140.

CLERK: LB 140, no E & R. Senator Preister would move to amend the bill. (AM7149 appears on page 2027 of the Legislative Journal.)

PRESIDENT ROBAK: The Chair recognizes Senator Preister to open on his amendment.

SENATOR PREISTER: Thank you, Honorable President, friends all, this is an amendment that I bring now because of some concerns that the City of Omaha had with the notification provision and with their attorneys we have worked out with committee counsel, in the Urban Affairs Committee, this amendment that would ensure that the City of Omaha was able to meet the notification criteria in a more timely and more convenient fashion to them. It provides that the notification be sent before the Planning Commission meeting rather than before the City Council meeting and allows them to do it in a way that would minimize their concerns. So this has been negotiated with the city and I approve of it as does the city and I think it will improve the notification process. With that I would conclude and be happy to answer any questions if anyone has any.

PRESIDENT ROBAK: Thank you, Senator Preister. Is there any discussion on the Preister amendment? Seeing none, Senator Preister waives closing. The question before you is the adoption of the Preister amendment to LB 140. All those in favor vote aye; all those opposed vote nay. Please record.

CLERK: 25 ayes, 0 nays, Madam President, on the adoption of Senator Preister's amendment.

PRESIDENT ROBAK: The Preister amendment is adopted.

CLERK: Senator Maurstad, I have no further amendments, Senator.

PRESIDENT ROBAK: Senator Maurstad.
